

Welcome

Enrolment checklist

Welcome to Teesside University and congratulations on achieving your place here.

You will shortly receive a link to the Student Handbook that contains useful information on the services and facilities we offer you. This checklist shows you the steps needed to enrol as a student at Teesside and help you prepare.

You can now start the registration process - if you are studying at a partnership college you need to register / enrol with Teesside University.

Have you:

1 Received your Teesside University student login username and password?

2 Registered online?

3 Uploaded a photograph when registering online (this speeds up the enrolment process)?

4 Collated all relevant documentation you need to bring to your enrolment event?

a your final letter of acceptance

b original certificates or official notification of examinations (to show at your academic School's enrolment session)

c receipts for advance payment of fees if you are a self-supporting student

d proof of identity using one of the following:

● passport

● birth certificate

● driving licence
