

Careers Service - Voluntary Work files

Come in and have a look

Our voluntary work files hold information, opportunities and advice from several UK voluntary organisations.

Many of these organisations also advertise their voluntary opportunities on our VolunTees database www.volunteers.co.uk. Search and see what opportunities may be of interest to you.

Voluntary Organisations

We hold information from the following organisations. Take a look at our green files in the careers information area. Ask at the careers desk if you need any help.
