However, if you are travelling by train please book your ticket to Middlesbrough Train Station, which is a short walk or taxi ride away.

After you arrive you should make a note of any damages and faults so that you are not charged at the end of the Agreement period. **It is really important that you fill this in and return it to us by the date requested on the form.**

If you don't return it you may not get your deposit back especially if we find any damages. We only charge you for any damage over and above "fair wear and tear".

Contacting you

If we need to contact you we will do so by e-mailing you at your preferred email address or calling your mobile telephone number. Please make sure your University records are always up to date. If you change anything you can do this on your University Unity account.

The heating for Woodlands Halls is on 06:00 – 24:00 7 days a week. Heating will go off automatically if the outside temperature exceeds 18 degrees.

and infestations will be dealt with urgently. All work is carried out by approved staff.

This is easy to do. You can do it by:

- E-mailing accommodation@tees.ac.uk Or
- Reporting it via your accommodation portal <https://myaccommodation.tees.ac.uk/apply/>
- Calling in to the Accommodation Team Reception, Second Floor, Middlesbrough Tower. (M2.08)

If you have an **emergency that cannot wait until office hours, for example a broken window, you need to contact the Duty Warden who will contact appropriate staff for you.**

At certain times University maintenance staff and contractors may need access to your residence or room and when possible you will receive written notification of any visit. If you report a problem, however, relevant staff will call automatically.

Please also note that staff will call on a regular basis to carry out routine maintenance to the emergency lighting and showers. When we need to do this we will always try and do it at a time when it causes the least disruption to you as possible and will try and avoid sensitive times such as exam periods. We will give a minimum periods of 7 days' notice. For urgent work we will give 24 hours' notice unless the circumstances require an immediate response.

Post Delivery

Your full postal address can be found on page 6 of this booklet and on the front page of your Occupancy Agreement. Wherever possible post is usually delivered directly to your Hall. The post box is in the Common room on the ground floor of your Hall.

There is one key for the post box which is located in the Kitchen in your apartment on the wall beside the door.

Parcels will be delivered to the University's Main Post Room on the ground floor of Middlesbrough Tower. Their opening hours are Monday - Friday 10.00 a.m. – 12.00 noon, and 1.00 p.m. – 4.00 p.m. The post room will be closed between 12 and 1 each day.

We also have an Amazon Locker on Campus where you can collect parcels 24 hours a day. The Locker is called "Kleopatra" and is located next to the North entrance of The Themis West Building.

You need to bring with you your own bedding, towels and any kitchen or cooking equipment you may need. The kitchen is equipped with electric cookers, microwave, fridge and freezer. Appliance instruction manuals will be available in the kitchen areas. An ironing board and a vacuum cleaner are available in each kitchen.

You can buy bedding packs and kitchen starter packs from us (subject to availability). You need to buy these at least 10 working days before you get here. If you have not already arranged this and would like to do so please visit

<http://tees.ac.uk/payonline>

Cleaning

It is important that your residences are kept clean. We all have a part to play in this. You are responsible for cleaning your own rooms including the en-suite and the communal areas.

Cleaning materials or equipment are not provided. Our Housekeeping Team will be at your residence each weekday Monday to Friday. They will undertake the following:

- Take out all rubbish every weekday from your kitchen (if it's in bags or bins)
- Clean corridors / circulation areas twice a week - Mop floors in kitchens once a week

Please remember - you are responsible for the cleaning of your own room and en-suite. You are also responsible for cleaning the communal areas too. It is not solely the responsibility of the Housekeeping Team. Please do not leave dirty pots, pans etc. in the kitchen. Please clean/disinfect surfaces on a regular basis. You should also take out rubbish and keep your accommodation clean. On a weekend rubbish should be taken to the bin cupboard situated in the middle of the car park at Halls 1- 5. It would be a good idea to have a cleaning rota as well so you all take responsibility. The Wardens will undertake regular kitchen inspections.

Recycling

We encourage all students to recycle as much as possible. Recycling facilities are available at all halls and details are provided at each individual halls. Also, if you have any ideas for recycling then please contact the Accommodation Team.

Parking & Bike Storage

We do have some car parking spaces for students living in university halls. You will usually be allocated spaces at West Parkside Village although there are a limited number of spaces at other residences. These spaces will be allocated by Campus Services. Registered disabled drivers may park closer to their residences.

You will need to apply to Campus Services for a parking pass **after term starts in September**. You can apply for car parking by following the link from the TU webpage

<https://www.tees.ac.uk/sections/stud/handbook/parking.cfm> or via your e-vision account. You can only apply once you have enrolled or re-enrolled, via the online shop (see link)

<https://onlineshop.tees.ac.uk/product-catalogue/campuservices/campus-facilities> On the main arrival week you will be able to use the car parks to drop off belongings.

Bike stores are located around the campus where you can park your bike for free. All you need to do is go onto the University Web page and register your bicycle.

<https://www.tees.ac.uk/sections/stud/handbook/cycling.cfm>

Motorcyclists are asked to contact Security Office, ground floor of the Library (Tel: 01642 342086) to register their motorcycles and identify an appropriate parking location for which there is currently no charge.

Community Living

As you will now be living alongside housemates and other local residents, please be mindful of your own behaviour and the impact your actions can make. Be courteous, tidy and keep noise levels to a minimum. Please treat your fellow students, staff and members of the local community with due respect, regard and consideration.

Health, Well-being and Safety

Register with a Doctor (General Practitioner – GP)

To register you need your current medical card which should be signed and include the name and address of your current GP, or if you are an International student your passport.

Fire Safety

All students in our halls are expected to comply with reasonable instructions when there is an Emergency Evacuation of a building. Students

must respond to all fire alarm activations immediately by leaving their accommodation and going to a designated fire assembly point.

Fire Safety Instructions

If you discover and need to report a fire

Leave by the nearest exit, following green fire exit signs

Do not stop to collect personal belongings

Sound the fire alarm as you leave (by activating a manual call point)

Close all doors on the way

Call Fire Brigade (**Tel 999**)

Call Security Control Room (internal extension **3200** or externally **01642 342086**)

Assemble at the nearest Fire Assembly Point

Do not re-enter the building until instructed to do so

If you hear the fire alarm you MUST

Leave by the nearest exit, following green fire exit signs

Do not stop to collect personal belongings

Close all doors on the way

Assemble in an adjacent car park

Do not re-enter the building until instructed to do so

Do not attempt to fight a fire unless your escape is blocked

Never use a lift in a fire evacuation

If you have a mobility problem you should attempt to leave the building. However, provided you can reach a protected enclosure, such as a stairwell or linked building, you will be safe for at least 30 minutes. Tell someone that you are remaining behind and that the Fire

Brigade, Security or Health and Safety must be told. You may ask a friend to stay with you. Once informed, the Fire Brigade can then effect a rescue.

Fire Door Information

The fire strategy for our residences utilises fire doors to prevent the spread of fire. Your bedroom and apartment door are classified as fire doors and will prevent the spread of fire for at least 30 minutes. To ensure these fire doors remain in good condition and operate as they should the University regularly inspect these doors, identifying any damage or issues that impact on their operation. It is important that these doors remain closed and that these doors and the self-closing devices fitted are not tampered with by you or your guests. You must not wedge or use other objects to prevent these doors from closing. If you identify any faults or damage to these doors, for example if there is any visible damage to the door or if the door is not closing properly, you should report this immediately to the University's Accommodation Team by:

- E-mailing accommodation@tees.ac.uk Or
- Reporting it via your accommodation portal <https://myaccommodation.tees.ac.uk/apply/>
- Calling in to the Accommodation Team Reception, Second Floor, Middlesbrough Tower. (M2.08)
- Calling our office on 01642 342255.

Personal Emergency Evacuation Plan (PEEP)

Many students will not have an issue in evacuating but some of you may need some assistance. If you need any assistance please just let us know. We can work with you to make you a Personal Emergency Evacuation Plan (PEEP) which is a bespoke 'escape plan' for individuals who may not be able to reach an ultimate place of safety unaided or within a satisfactory period of time in the event of any emergency. This doesn't just mean if you have a mobility issue; it could be you

have a hearing impairment which means you need a different kind of alerter to an alarm or you may have a condition which means there may be times when you would have difficulty in responding. Or something different to this. In whatever way you may need some assistance we need to know so we can assist you.

Please note - this Plan only covers University accommodation - it does not cover any other areas of the University.

It will be developed with your full input with a member of the Accommodation Team, a Disability Adviser (if appropriate) and may also include input from the University's Health and Safety Adviser if necessary.

If you could let us know as soon as possible we can make arrangements to get this put in place. If you would like any further information or would like to chat to someone confidentially please e-mail accommodation@tees.ac.uk and we will be more than happy to discuss it with you.

Wardens (including First Aid)

There is a team of three Wardens who cover your residence who are part of the Accommodation Team. They are on call during each evening and weekend, from **7.00pm until 6.00am** on a rota basis to deal with any problems or concerns that you may have outside of normal office hours.

The Wardens deal with any issues you may have and you should also contact them in the event of any fire alarm activation in your apartment during their duty hours. They are all trained in basic first aid and can be contacted if you have an emergency or an issue which requires first aid. If you have any

health and safety concerns either speak to your Warden or the Accommodation Team as soon as you can.

If you have a complaint or dispute or there is an issue regarding noise you should contact the Warden to sort it out. They can then deal with it immediately. They will also keep records of any call outs in case a problem is persistent.

A Warden from one of the halls is also on call during most daytime hours of each weekend.

You can contact the Wardens on the duty mobile number as follows:

Hall	Warden Number
Woodlands Halls	07796 707726

Safety in your room

You cannot use candles in your room or any communal area of your accommodation.

In the kitchen you must not fry any food using a pan with a deep level of oil without a thermostatic temperature control.

If you do not keep the kitchen door closed when cooking you will set the fire alarm off.

Please make sure that the extractor fan is on when you are cooking.

You must also make sure that any electrical equipment that you bring to the University is safe to use and PAT tested. Any electrical equipment which the University deems to be unsafe

may be removed. The University will be arranging free PAT testing of equipment for students after arrival.

It is your responsibility to make sure that you do not use any damaged or faulty equipment.

International students please be aware that UK voltage is 230 volts so please make sure that you use the correct equipment.

Any furniture that you provide must comply with the Furniture and Furnishings (Fire) (Safety) Regulations 1988.

Fire Fighting Equipment

You must not tamper with any firefighting equipment, sounder or detector. This is a criminal offence. You will be subject to the University's Student Disciplinary Regulations if you tamper with this equipment.

All fire alarm activations are linked to the Security Control Room. If you are sure that it is a false alarm, please evacuate the building then advise the Warden or Security staff immediately.
