# Summer School

Learn Spanish in  
the Canary Islands

**2 - 29 July**

**An opportunity you cannot miss**

Can you imagine studying a language in a school  
that is five minutes away from the beach?

A four-week experience learning Spanish, as well as  
taking part in our cultural, sports and recreational program to  
discover the beautiful island of Gran Canaria, its welcoming  
communities and immense cultural heritage.

Sounds good? Turn over for more information...

# 3 reasons to learn Spanish

- Spanish is estimated to be the second most spoken language in the world
  - The number of Spanish speakers keeps rising globally
  - Over 21 million people study Spanish as a secondary language

An immersive adventure with experienced teachers and tailored programs, all in the beautiful location of Gran Canaria with opportunities to practice the language with native speakers, helping you build confidence and fluency in Spanish.

The Spanish lessons will be for beginners to beginner-intermediate level speakers, learning general terms and areas related to Spanish contemporary culture and traditions (tourism, business, sport etc). Lessons will be in the morning from Monday to Friday and finish at 1pm. Leaving the afternoon and evening for activities offered as part of the cultural program, such as hiking, surfing, kayaking, climbing, karting, parties and more...
