Please inform the organizer of any special needs of the participant(s) such as food allergies, vegetarian, etc., seven (7) days before the program begins.

Fees do not cover the following expenses:

- i. Personal expenditure
  - ii. Medical insurance
  - iii. Phone calls
  - iv. Lost items
  - v. Shopping spree
- 

## Introduction

Health Sciences Summer Camp – Le Tour De Education30 is the program specially crafted for Teesside University student cultural, heritage and education exchange program with the aim of enhancing student learning experience with rich, beautiful, and aesthetic culture of Malaysia heritage and community. The program was established intertwining casual education reflecting Malaysia ambient, together with nature and the excitement of local food and its health benefits via modules from different health sciences discipline namely Environmental Health and Safety, Physiotherapy and Dietetic.

Throughout this program, the participants will be exposed to Malaysia cultural, heritage and education approaches, by having lecture modules in Faculty of Health Sciences, UiTM Puncak Alam. On top of that, KL City tour and Glamping at Janda Baik will basically allowing the

student to appreciate urbanization enclosed with preservation of pristine area to keep nature and modernization intact to each other.

The excitement awaiting at Haji Dorani Homestay through Let's Enviro Tour Session will eventually allowing the participants to experience Malaysia villagers' activities and understanding the daily life culture and practice whereby participants could take place in preparing local dishes, enjoying local sports even carry out farming and fishing activities conventional way.
