

## Exporting from JSTOR into RefWorks

Select the records you want to export from your results list by clicking in the checkbox on the left of the item(s).

Then click on **Export Selected Citations** and **Export to RefWorks**.

Choose the version of RefWorks (Legacy or New) that you want to export your references to.

Continue exporting to **RefWorks ?**

Yes, export to the newest version of RefWorks

The references will be automatically imported into your RefWorks account.

 RefWorks

No, export to the legacy version of RefWorks

Click on **View Last Imported Folder** to see them.

### Word of caution:

If you need to edit the record, click on the **Edit** link (the pencil icon) and make any necessary changes, then **Save Reference**.
