

Step-by-step Enrolment Guide

Part 1: Obtain a Share Code

A share code is an online-generated code to provide confirmation of your digital immigration status (eVisa) and right to study.

To get a share code, go to <https://www.gov.uk/view-prove-immigration-status> and click "Get a share code."

Prove your status

If you need to prove your immigration status to someone, you can do this online with a share code.

Get a share code

Enter your identity document details, date of birth, and the mobile number or email used in your application.

- Important: To prove your right to study, you must choose the third option, "something else."** (Do not select the options to prove right to work or right to rent.)

What do you need the share code for?

- to prove my right to work (including work placements) in the UK
- to prove my right to rent in the UK
- something else ←

Preview what the checker will see

Click on 'Preview what the checker will see'.

You then need to scroll to the bottom of the page and click 'Create a share code'.

Once you have generated your share code, ensure that it starts with the letter "S" followed by a set of random letters and numbers. It is crucial to keep a copy of it in a secure place for future reference, and to complete Part 2 of your enrolment.

Part 2: Update CAS Shield

	<p>1. Login to the <u>Enroly CAS shield portal</u> using the username and password provided in the email you received shortly after receiving your offer.</p>
	<p>2. Update your Visa Status in the portal. You should confirm the outcome of your visa application. Please also upload a copy of your visa outcome letter notification.</p>
<p>Share code S 4 T A S L 8 G H</p>	<p>3. Enter your Share Code (as obtained in Part 1) as evidence of your eVisa. This must begin with the letter "S." Take care to ensure you type each letter and number in correctly.</p>
