

# Advice guide 14: Specialist Toilets and Changing Rooms

Throughout all University campus buildings there are general disabled toilets. In addition to these, the University also has a Clos-o-Mat self-cleaning/drying toilet, accessible changing rooms with a toilet, changing table, hoist and accessible shower rooms.

## Clos-o-Mat self-cleaning/drying toilet

- Looks like a conventional toilet
- Built-in douching and drying
- Pressure on the flush pad triggers simultaneous flushing and warm water washing, followed by warm air-drying.

The Clos-o-Mat toilet is located in an individual disabled toilet, Middlesbrough Tower Building on the 6<sup>th</sup> Floor.

## Accessible changing rooms and shower rooms

- Changing table and hoist
- Toilet with grab rails and privacy curtain
- Separate larger accessible shower rooms with grab rails.

There are accessible changing rooms and shower rooms, located on the ground floor in the Olympia Building. **Click on the following link for the location on the Campus map:**  
<https://www.tees.ac.uk/docs/docrepo/about/CampusMap.pdf>

These accessible facilities require the use of a RADAR key and/or your Student TUSC card to allow entry.

## How to arrange access via TUSC card or RADAR key

- Contact your Disability Adviser or Email [studentlife@tees.ac.uk](mailto:studentlife@tees.ac.uk)
- **\*RADAR key** – You can buy a key from Disability Rights UK. To buy a key visit their online website shop <http://disabilityrightsuk.org/> or telephone their general enquiries and orders line 0203 687 0790 or email them at [shop@disabilityrightsuk.org](mailto:shop@disabilityrightsuk.org)
